

Specialty (continued)

Hydrating Eye Cream

Product Description:

This special blend of powerful antioxidants including thioctic acid, green tea leaf extract and rose hips, and vitamin K hydrates the delicate skin around the eyes and reduces the appearance of dark under-eye circles.

Skin Types:

Suitable for all skin types.

Benefits:

- Reduces the appearance of dark under-eye circles.
- Powerful antioxidants to neutralize free radical damage.
- Minimizes fine lines and wrinkles.

AM/PM Directions:

Apply sparingly to clean skin by gently massaging or tapping onto entire eye area including under the brow bone. Use before hydrating or renewing products. Allow cream to absorb completely before applying make-up.

Featured Ingredients:

Vitamin K improves blood flow, Thioctic Acid is a powerful anti-oxidant, *Citrus medica limonum* (Lemon) Fruit Extract clarifies the skin, has anti-inflammatory properties and is a natural source of Vitamin C, *Camellia Oleifera* (Green Tea) Leaf Extract is a powerful anti-oxidant with anti-inflammatory properties, *Rosa Canina* (Rose Hips) Fruit Extract is a natural astringent and that is rich in Vitamin C.
